Dear Katherine,

I respectfully don't see how this falls within the purview of your appointment order.

Per our Permanent order the decisions Quinn and I are required to discuss and agree are limited to "education, health and welfare of the child"

Please provide your basis for questioning my right to file a lawsuit.

Also please be aware I have written Mr Shuirman separately objecting to his communications with you and demanding that he cease and desist.

Please do not have any further communications with him or any other attorney who is not representing Quinn or myself.

Patrick.

Patrick,

Today I received a call from an attorney indicating that you had filed several lawsuits on behalf of the minor children. Attached are the pleadings provided.

Please advise if you consulted with Quinn prior to filing.

Please also advise if you consulted with either of the children's therapists prior to filing.

Please finally advise if you have discussed these lawsuits at all with the children.

Provide responses by Monday, February 15, 2021.
